HOPE 4 KIDS FOUNDATION

Mission:

Our mission is to provide young people with a safe place and a positive outlet for their energy. We will be teaching them leadership skills, teamwork building, the importance of volunteering, safety, critical thinking, and provide them with much needed resources for college scholarships. We believe out-of-school hours serve as the essential link between school and home, offering the greatest opportunity to influence the future of our kids, and communities. Hope for Kids Foundation seeks to ensure kids have a positive and enriching experience when the school bell rings, putting them on the path to success.

Testimonials:

I am writing to share my incredible experience with the Hope for Kids Foundation, and to encourage you to consider supporting their mission.

I first met the Foundation in 2020, shortly after purchasing a property that included an impressive 10,000 square foot greenhouse. It was then that Brian, a representative of the Foundation, approached me with a proposal to utilize the greenhouse for the benefit of families in disadvantaged communities who lack access to healthy food options. I was immediately struck by the passion and sincerity of the Foundation's mission, and decided to challenge them to break down and remove the greenhouse within a deadline. If successful, I pledged to donate the greenhouse to the Foundation to support their cause.

To my delight, the Foundation rose to the challenge and completed the task with utmost professionalism. Since that time, I have developed a close relationship with the Hope for Kids Foundation and continue to support them in any way I can. Their dedication to serving families in need is truly inspiring, and I am honored to be a sponsor of their important work.

I encourage you to consider joining me in supporting the Hope for Kids Foundation. Together, we can make a lasting difference in the lives of many deserving families
